

## ASHVILLE DAY

*July 16*

Rt 474

Ashville, NY 14710

716 / 789-3445

*Celebrate the history of Ashville!*

Ashville was the first village to be formed in the Town of North Harmony in 1808. The name was derived from the four asheries in the village, representing the county's first industry. In 1808 Reuben Sleyton, Jr. built a saw mill and grist mill.

Come to the charming hamlet of Ashville for the 10 AM parade, followed throughout the day by events that will be fun for the entire family, including bed races, flea market, quilt raffle, yard sales, and much more.
