The History Fair celebrates all of the County's historical organizations, historians, and libraries! More than 40 local groups will come together to display, promote and share information about the amazing history of the County and its residents. From Carroll to Ripley, and from Clymer to Hanover, booths will be staffed with folks knowledgeable about their community's or organization's history. Additionally, reenactors depicting the French & Indian War, the War of 1812, Civil War and World War I will be encamped around Chautauqua Suites and will

conduct demonstrations inside the conference center. Historical publications will be available for sale. The conference center will provide concession foods for sale throughout the fair.
