

FESTIVAL OF GRAPES SILVER CREEK

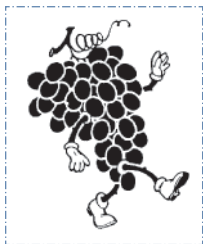

September 15-18

Established in 1968, the Festival of Grapes was formed to promote the major agricultural industry – grapes and grape by-products – and to promote good relationships among individuals, organizations and the rural and urban communities in the Grape Belt area.

This year, the festival will include grape stomping, rides and concessions, arts and crafts, wine and beer tents, live entertainment, firemen's hose race, Silver Creek VFW chicken barbecue, a grand parade plus much more.

All activities take place in downtown Silver Creek.

Passport stamps will be available at Festival Headquarters, located in the building next to the tennis courts.
